69,913 Visitors In Less Than 12 Short Months...

- The image on the right hand side is an actual screen shot taken from our analytics account that shows more than 69,913 free visitors to just one of our websites in less than 12 short months.
- Even if you only achieve 10% of the results we've experienced, that's an astounding 6,913 free visitors to your site!
- Pay close attention, and take massive on what you learn.

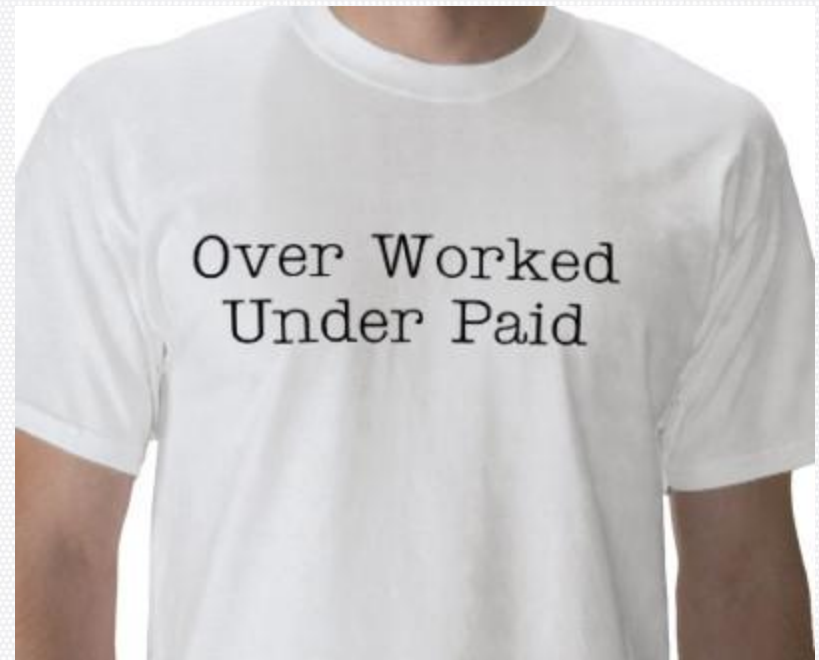

What is Keyword Research?

- MILLIONS of people are searching for ways to make money online EVERY SINGLE DAY. Every time you snap your fingers another million people searched.
- Keyword research is the process of uncovering the EXACT phrases people are searching for- when you position your website in front of these people, you make money.
- Showing up on the first page of Google for a popular keyword phrase equals tons of free traffic and a consistent stream of profit in your business.

Why It's The Most Undervalued Skill In Internet Marketing....

- Keyword research separates HIGHLY SUCCESSFUL marketers from those that never make a penny online, & affects everything you do...
 - Article Marketing
 - Video Marketing
 - Blogging / SEO
 - And much more...

The Internet Marketing Rat Race...

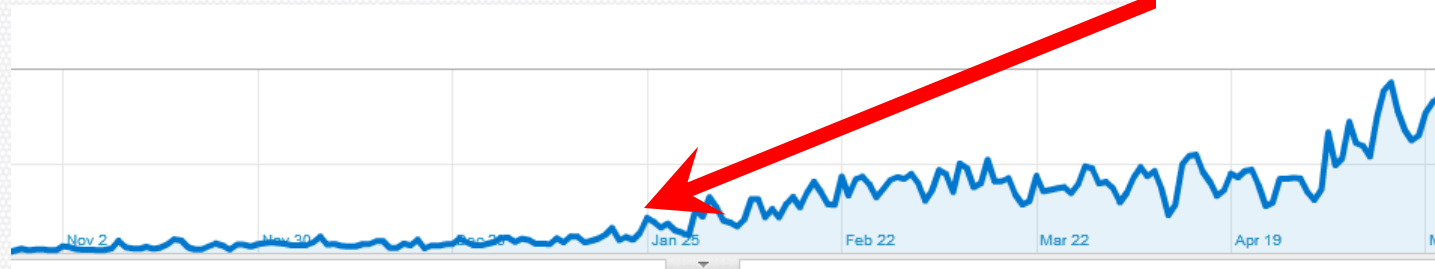

- Internet marketing and creating content (articles, videos, blog posts) without doing your keyword research FIRST is complete SUICIDE...
- You'll literally be spinning your wheels, and will end up with nothing more than an EXPENSIVE HOBBY.

Shortcut Your Way To Profits With Long Tail Keywords...

- What is a long-tail keyword?
 - Longer, more specific phrase
 - Easier to show up at top of Google search results
 - Usually 3-5 words in a single phrase
 - Example:
 - Short-Tail: Internet Business **BAD**
 - Long-Tail: Internet Business Mastery **GOOD**
 - Longer-Tail: Internet Business Mastery Academy **BETTER!**
 - Longest-Tail: Internet Business Mastery Academy Review **BEST!**
